Touch the Moon

Touch the Moon

><br>Come rest in my arms again

>And let's look at the lunatic moon<br>It's shining so high overhead

>It whispers peace will come soon<br>It could be a lie

>From the insane moon<br>It could be a lie

>But I need it any way<br>I need to believe I'm with you

>I need to believe that this time, you will stay<br>

>Reach with me<br>Let's touch the moon

>Feel the silver run across our hands<br>Under the moon

>The light binds us together<br>Let's touch the moon

>So you won't leave again<br>

>Touch your lips to mine<br>Under the lunatic moon

>Let its mad light run over us both<br>Let's forget that the sun's rising soon

>It could be a lie<br>From the laughing moon

>It could be a lie<br>But we need it any way

>I see into your eyes every time I'm with you<br>I see in your eyes that you need me to stay

><br>Reach with me

>Let's touch the moon<br>Feel the silver run across our hands

>Under the moon<br>The light binds us together

>Let's touch the moon<br>So I won't leave again

><br>(the moon)

>We're under the lunatic moon<br>(the light)

>We're swimming in silvery light<br>(together))

>We're always together under the moon<br> (touch the moon)

>We may not touch it, but at least we tried<br>

>Cradle me against you<br>Under the lunatic moon

>Let's pretend war doesn't exist<br>Let's pretend the end's coming soon

>It's just a game  
>Under the teasing moon  
>It's just a game  
>But we need it anyway  
>Let our hair weave together in the silver light  
>Just you and me  
until the advent of day  
><br>Reach with me  
>Let's touch the moon  
>Feel the silver run across our hands

>Under the moon

><br>Come rest in my arms again  
>Under the lunatic moon  
>Let's pretend that there isn't a mission

>Let's pretend that day isn't soon  
>Give me your love  
>Under the insane moon  
>Take my love  
>Let its light be our guide back to shore  
>For when we're pulled apart, we won't be lost  
>Let's touch the moon together once more  
>Reach with me
